

## **QNC Camp 23 Jan to 26 Jan, 2021 to Foxbar Falls, Amiens**

FLORA list, collated by Faseney McPhee, several contributors.

1. *Bulbine bulbosa*, Asphodelaceae
2. *Isotoma anethifolia*, Campanulaceae
3. *Trachymene incisa* sub species *incisa*, Wild Turnip, Araliaceae
4. *Wahlenbergia* Several species around
5. *Thysanotus tuberosus* subsp. *tuberosus*, Fringed Lily. Laxmanniaceae
6. *Pomax umbellata*, Rubiaceae
7. *Lagenophora gracilis* sublyrata, Asteraceae.

### **Afternoon, to Sow & piglets Rock**

8. *Pelargonium australe*, Geraniaceae
9. White unidentified *Acacia*, ? *A penninervis*?
10. *Chrysocephalum apiculatum*. Yellow billy button
11. *Cassinia quinquefaria* (or ? *laevis*), "Cough bush". Asteraceae (definitely *quinquefaria* ARB)
12. *Asparagus officinalis*
13. *Callitris endlicheri*, Black Cypress
14. *Acacia terminalis*, annual, white flower, roadsides
15. *Xerochrysum bracteatum*, Golden everlasting.
16. *Eucalyptus blakelyi*, Blakely's Red Gum
17. *Banksia integrifolia*
18. *Tricoryne elatior*, Johnsoniaceae
19. *Lomandra confertifolia*, Laxmanniaceae

20. Leptospermum trinervium, Myrtaceae
21. Hibbertia ? elata? (Think another spp?)
22. Lomatia silaifolia, Proteaceae
23. Gahnia. ? aspera? *Yes, aspera was very common and I did not see any other Gahnia spp. ARB*
- 24 Haemodorum planifolium, Blood-root lily. Haemodoraceae
24. Lomandra filiformis
25. Angophora floribunda
  
27. Mistletoe on Callitris. Muellerina bidwillii M2M p 492
28. Lobelia purpurascens
29. Compositae
30. Orchid in tree, Cymbidium canaliculatum
32. A stringybark.
33. Dianella, high on Sow rock, thick leaves ? caerulea
35. Lobelia andrewsii, Trailing Lobelia, Campanulaceae
36. Goodenia bellidifolia subsp. argentea, Daisy Goodenia
37. Actinotus helianthi, Flannel Flower
38. Xerochrysum bracteatum
39. Goodenia hederacea
40. Eucalyptus scoparia

**Sunday, 24/1/21. To view point south of Swipers Gully**

41. Portulaca bicolor
42. Jacksonia scoparia

43. *Dampiera purpurea*
44. *Pomax umbellata*
45. Weeping Rice Grass, *Microlaena stipoides*
46. Wallaby grass, *Rytidosperma tenuius*
47. *Melichrus urceolatus*
49. *Trachymene incisa*, Native Parsnip
50. *Chrysocephalum apiculatum*
51. *Hibbertia*
52. *Oxalis*, native
53. *Hibbertia stricta*
54. *Eucalyptus andrewsii*, New England Blackbutt
55. *Eucalyptus prava*
56. *Eucalyptus melliodora*, Yellow Box
57. *Eucalyptus youmanii*, Stringy Bark
58. ~~Leucopogon~~ *Acrothamnus melaleucooides*, red berries
59. *Platysace ericoides*, Apiaceae, carrot family
60. *Eucalyptus deanei*
61. *Acacia adunca*
62. *Prostanthera saxicola*
63. *Petrophile canescens*, Conestick
64. *Poranthera corymbosa*, Euphorbiaceae (Phyllanthaceae M2M p461)
67. *Micromyrtus sessilis*

68. *Isotoma anethifolia*

69. *Crassula sieberiana*

70. *Cheilanthes distans* fern

*Microlaena stipoides*

**Sunday afternoon. Messines Road at Godfields Rd**

71 *Eucalyptus prava*, Circumference 4.10m. Diameter 1.30m

72. *Brachychiton populneus*, Kurrajong

Lots of Mistletoes in *Eucalyptus*

73. *Melaleuca thymifolia*

74. Black Orchid

75. *Podolepis arachnoidea*, Copper Wire Daisy

76. *Gonocarpus micranthus* subsp. *ramosissimus*

77. *Hovea graniticola*

78. *Cheilanthes distans*

All *Acacias* in this list were verified by Dick Date.

77. *Acacia brownei*

78. *Acacia floribunda*

77. *Acacia debilis*

78. *Acacia myrtifolia*

79. *Acacia leiocalyx*

80. *Acacia neriifolia*

81. *Acacia betchei*

- 82. *Acacia adunca*
- 83. *Acacia pruinosa*
- 84. *Acacia decora*
- 85. *Acacia penninervis*

**Monday 25/1/21. Walk up to summit of Mt Ferguson, return by Foxbar Falls.**

- 86. *Pimelea linifolia*, photo
- 87. *Calotis cuneifolia*
- 88. *Cymbopogon refractus*, Barbed Wire Grass
- 89. Hedgehog grass
- 90. Native Love Grass
- 91. *Eulalia aurea*, Brown Top grass
- 92. *Cyanthillium cinereum*. Daisy
- 93. *Gahnia aspera*
- 94. Lesser St John's Wort - *Hypericum gramineum*?
- 95. Long haired plume grass.
- 96. *Solanum amblymerum*
- 97. Reed grass
- 98. Wallaby grass = White top grass. *Rytidosperma tenuius*
- 99. Sedge, very common, like Settlers Flax. Very flat flower stem. Photo
- 100. *Olearia fulgens* Peach bush, Daisy like flower. Photo
- 101. *Xanthorrhoea johnsonii*, Grass trees
- 102. *Cassytha* sp, Dodder

103. *Leptospermum trinervium*
104. *Coleus suaveolens*, grey leaf, native
105. *Stylidium graminifolium*
106. *Ozathamnus obcordatus*, yellow, photo
107. *Eucalyptus scoparia*. Wallangarra White Gums, special here
108. *Stackhousia viminea*
109. *Microcarsmyrtus sessilis*, or is it ~~*M. cardenio*~~? – I don't think *Microcars* is right
110. *Coleus*, green version, photo.
112. *Correa reflexa*
113. *Eucalyptus caleyi*, Ironbark, photo
114. *Lomandra multiflora*
115. *Murdannia graminea*
116. *Acacia granitica*
117. *Ludwigia peploides* subsp. *montevidensis*
118. Duckweed, ~~*Spirodela*~~ *Landoltia punctata*
119. *Azolla* sp.
120. *Persicaria*
121. *Commelina diffusa*. Commelinaceae Wandering Jew.
122. *Ficus rubiginosa*
123. *Hardenbergia violacea*
124. *Acacia inflexa* ~~*implexa*~~, the ironwood, or lightwood
125. *Stypandra glauca*

126. *Imperata cylindrica*, Blady Grass
127. *Callitris endlicheri*, black cypress pine, Gymnosperms
128. *Dampiera purpurea*, Goodeniaceae
129. *Dendrobium* spp
130. *Stylidium laricifolium*
131. *Stackhousia viminea*
132. *Hardenbergia violacea*
133. Variable sword sedge *Lepidosperma laterale* -
134. Wild cotton (*Gomphocarpus* sp) with caterpillars! (Lesser Wanderer butterfly)
- Mitrasacme paludosa*
- Scaevola* sp

Extra species – A.R. Bean

**a) close to campsite**

- Eucalyptus bridgesiana*  
*Eucalyptus youmanii*  
*Eucalyptus andrewsii*  
*Eucalyptus blakelyi*  
*Senecio diaschides*  
*Hydrocotyle peduncularis*  
*Haemodorum planifolium*  
*Ptilothrix deusta*  
*Poranthera microphylla*  
*Arundinella nepalensis*  
*Rytidosperma bipartitum*  
*Vittadinia sulcata*  
*Juncus planifolius*  
*Schoenus apogon*  
*Ambrosia artemisiifolia*  
*Erigeron sumatrensis*  
*Phytolacca octandra*

Mentha saturoides  
Glossocardia bidens  
Opercularia hispida  
Panicum effusum

**b) Mt Ferguson**

Solanum nemophilum  
Brachyscome nova-anglica  
Lomandra sp. aff. longifolia  
Brachyscome microcarpa  
Stackhousia muricata  
Leionema rotundifolium  
Notelaea linearis  
Calytrix tetragona

**c) shores of Lake Amiens**

Gratiola pedunculata  
Fimbristylis velata  
Cyperus leptocarpus (syn. Lipocarpha microcephala)  
Trifolium arvense  
Lythrum hyssopifolium  
Centipeda minima  
Cuscuta campestris  
Symphyotrichum subulatum  
Sisyrinchium rosulatum  
Elatine gratioloides  
Polygonum plebeium  
Setaria pumila  
Cyperus squarrosus  
Persicaria prostrata  
Bulbostylis pyriformis  
Myriophyllum sp.  
Eragrostis parviflora

**d) Foxbar falls area**

Cyperus difformis  
Cyperus sanguinolentus  
Stellaria angustifolia  
Cyperus aggregatus  
Prostanthera nivea  
Callistemon sp.

**e) To Swipers Gully (Sunday)**

Kunzea bracteolata

Leptospermum novae-angliae  
Allocastrum rupicola  
Tripogon liliiformis  
Calandrinia pickeringii  
Leucopogon microphyllus
